BETWEEN YOU & ME

by #1 *New York Times* bestselling author

Susan Wiggs

On Sale: June 26, 2018

“From the book’s gut-wrenching opening to its superbly satisfying conclusion, readers will once again find themselves under best-selling, RITA award-winning Wiggs’ literary spell as she gracefully spins easily relatable yet realistically complex characters and an evocatively written and emotionally charged plot into pure literary gold.”

—*Booklist*

“Susan Wiggs always knows how to get to the heart of the matter—and into the hearts and minds of her readers.”

—*Mary Kay Andrews, New York Times bestselling author*

#1 *New York Times* bestselling author **Susan Wiggs** is one of the most popular women’s fiction novelists at work today—her “ambitious” and “heartwarming” novels (*Seattle Times*) are written with an “easy sense of grace and down-to-earth literary charm” (*Booklist*). Susan’s newest novel, **BETWEEN YOU AND ME** (William Morrow Hardcover, on sale June 26) follows her two instant *New York Times* bestsellers *Family Tree* and *Map of the Heart*.

With **BETWEEN YOU AND ME**, Susan delivers a sophisticated and atmospheric story about two people from polar opposite backgrounds brought together during a life-or-death emergency. The scandal that follows shatters the peaceful heart of an Amish community to its core, resulting in a riveting story that challenges our deepest-held beliefs.

Caleb Stoltz is bound by a deathbed promise to raise his orphaned niece and nephew in the Amish community Middle Grove, where life revolves around family, farm, faith—and long-held suspicions about outsiders. Although he has always harbored doubts about their insular culture, he’s committed to staying for his family.

But when an unimaginable tragedy strikes, Caleb seeks help from outside his community, thrusting him into an urban environment of high-tech medicine, a decision that will force him to reconsider what family, love, and community truly mean.

Reese Powell is poised to join the medical dynasty of her wealthy, successful parents. Bold, assertive, and fast-thinking, she lives for the addictive rush of saving lives. When a devastating accident brings Caleb Stoltz into her life, Reese is led on an emotionally charged journey into a society veiled in strict customs, compelling her to confront everything she thinks she knows, and emboldening her to question her most powerful beliefs.

Then one impulsive act brings about a clash of cultures in a tug-of-war that plays out in a courtroom, challenging the very nature of justice and reverberating through generations, straining the fragile threads of family and faith. With a surprising twist, even the most seasoned readers will be racing to find out how this story ends.

Susan Wiggs brings us a deeply felt, life-affirming story about the clash of two American societies—the traditional Pennsylvania Amish and the fast-paced, metropolitan world of modern medicine—at a time when we feel deeply divided. Deeply moving and powerful, **BETWEEN YOU AND ME** is an emotionally complex story of love and loss, family and friendship, and the arduous road to discovering one's true path.
